HQDA Overview
You did GREAT!!!

108%
Some Changes Can Be Good

“You don’t have to love change to be successful, but you need to be willing to accept it. Change is a catalyst for personal growth.

It gets you out of a rut, it gives you a fresh start, and it affords you an opportunity to reevaluate your direction......If you resist change, you’re really resisting success.”

John Maxwell
Changes in Retention
